HOOFLAND'S GERMAN BITTERS,

AND

Hoofland's German Tonic.

THE GREAT REMEDIES

FOR ALL DISEASES OF

THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixtures of any kind.*

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixtures, will use

Hoofland's German Bitters.

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medical virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

CONSTIPATION, FLATULENCE, INWARD PILES, FULLNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEARTBURN, DISGUST FOR FOOD, FULLNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, FEVER AND DULL PAIN IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, ETC., SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGINING OF EVIL, AND GREAT DEPRESSION OF SPIRITS.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his cure, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would remind those well-known remedies—

HOOFLAND'S GERMAN BITTERS

AND

HOOFLAND'S GERMAN TONIC.

PREPARED BY *DR. C. M. JACKSON*, PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach, or Intestines.

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, Induced by Severe Labor, Hardships, Exposures, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is removed from the eyes, a bloom lights up to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of the BITTERS, or the TONIC, an elixir that will instil new life into the veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are sadly in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK & DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, but space will allow of the publication of but few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa., writes:

Philadelphia, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly,

GEO. W. WOODWARD."

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania.

Philadelphia, April 28, 1868.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia, and can safely add from my experience of it. Yours, with respect,

JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with the very great good which has in numerous instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

H. KENNARD,
Eighth, below Coates St.

From Rev. E. D. Fendall,

Assistant Editor Christian Chronicle, Philada.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours truly,

E. D. FENDALL.

SEYMOUR & BLAIR!

Democratic

MASS MEETING!

A grand Mass Meeting of the friends of Seymour and Blair will be held in

GETTYSBURG,

On Saturday, Oct. 10, 1868.

Among the speakers on the occasion will be

GOVERNOR PILLSBURY, of Maine,

Hon. ELI P. NORTON, of New York,

Hon. SAM. H. REYNOLDS, of Lancaster, Pa.,

Hon. G. W. BREWER, of Chambersburg, Pa.,

and others. Arrangements are being perfected for one of the most imposing political demonstrations ever witnessed in this region.

The people of Adams and surrounding counties are invited to come in their strength. Come in the cars, in wagons, carriages, buggies, on horseback, afoot—any way and every way! Bring music, flags, banners, hickories, wreaths, flowers, everything that may contribute to the grand display.

Distinguished speakers from different parts of the Union will address you. The issues of the campaign will be fully presented and ably discussed.

All in favor of ECONOMY and REFORM, and the preservation of our Government under the rule of WHITE MEN, are urged to attend—to rally as a mighty host, demanding A CHANGE!

By order of Co. Ex. Com.,

H. D. WATTLES, Ch'n.

Gettysburg, Oct. 2, 1868.

Democratic Meetings!

RALLY! WHITE MEN, RALLY!

Judge KIMMELL and C. M. DUNCAN will address the people at Abbottstown THIS EVENING, and at Littlestown TO-MORROW EVENING.

Democratic meetings will also be held as follows:

At Graeffenberg, TO-MORROW evening.

At New Chester, next MONDAY evening.

At Mummasburg, next TUESDAY evening.

At Hampton, next WEDNESDAY evening.

At Caledonia Cold Spring Schoolhouse, on MONDAY AFTERNOON, Oct. 12th, at 2 o'clock.

At Geo. A. Forwell's, in Franklin township, on MONDAY evening, Oct. 12th.

Several speeches may be expected at each meeting.

White men, your country calls. Turn out! Turn out!

VOTE for BOYLE and ENT—pure and trustworthy men.

BORDER SUFFERERS!

Your interests demand a change in the Legislature—demand the election of such men as Calvin M. Duncan and Dr. Dill.

Immediately after the battle the Radicals were profuse in promises of aid from the State.

In 1864 appeals for your support were again made by them, and the promise of help was renewed.

Did you get pay for your damages? Not a cent!

In 1865 McConaughy boldly proclaimed, "Elect me, and compensation will be sure." He was (not elected, but) admitted to the Senate. What did his promise prove to be worth? *Nothing!*

A bill for payment passed the House, and was sent to the other body. McConaughy was urged to press it. The time was felt to be auspicious. But he *delayed*—put it *off*. He had a "memorial" ax to grind—*his* ax—and he ground it. But the damage bill failed—"failed for want of time!"

Another attempt was made. It *failed too*. Why? Radical legislators needed all the State's money to gratify their own cormorant demands.

And thus have the sufferers on the border been left to suffer on. But there *is* a hope for justice—hope in the election of Duncan and Dill. They are good men—true men—honest men—able men. They will have influence—and will adhere to the demand. With the election of their opponents the case will be hopeless.

Sufferers, VOTE FOR YOUR OWN INTERESTS!

GRAND MASS MEETING.

The Democratic County Mass Meeting will be held here TO-MORROW WEEK—Saturday, Oct. 10th. Distinguished speakers from abroad will address it. There is *still time for* preparations to make the demonstration an immense one. TO WORK AT ONCE, for to-morrow week!

VOTE for Judge KIMMELL—an able and honest man,—the advocate of economy and reform—the rule of the constitution—and a white man's government.

"IS IT THERE YOU ARE?"

One of the prominent features in Radical tactics is *bragging*—and especially when away from the locality bragged about.

We are told that Clerk McPherson, at the Radical "so-called" mass meeting in Chambersburg, last week, boasted that a part of the Radical ticket in this county would be elected! Democrats of Adams, do you "see it?" The boast was intended to deceive the people at the meeting—or it shows an expectation entertained by Radical leaders that you will cut your own regularly nominated ticket to such an extent as to let in some of the opposition candidates. Are you willing to mar the victory in store for you, and by your own *short-comings* give your enemies the power to crow over you? We don't believe it. We believe that you are made of too good stuff—have too much party pride—to be guilty of so suicidal an act. Rally, then, to the polls in your strength, and by the triumphant election of your whole ticket, give the lie to McPherson's boast.

BE ASSESSED!

Don't forget to be assessed. The law says it must be done ten days before the election. TO-MORROW (Saturday) is time enough in the estimation of *most* lawyers—but THIS (Friday) is the safer day. It will certainly avoid all disputes. See to it, then, AT ONCE—WITHOUT A MOMENT'S DELAY.

VOTE for CALVIN M. DUNCAN, for the State Senate. He was three years ago CHEATED out of the seat, in defiance of the expressed will of the people. Rebuke Radical scoundrelism by re-electing this able and honest man by a largely increased majority.

NO TRADING!

The Radicals are at one of there old games—offering to *trade votes*. Democrats, have nothing to do with so damaging a business. The Radicals expect to make by it, or they would not propose it. You can elect your WHOLE TICKET handsomely. But to do it you must TURN OUT and VOTE THE CLEAN SHEET!

VOTE for Dr. ARMSTRONG B. DILL, for Assembly. He is deservedly popular, and has ability of a high order. He would represent Adams county with credit to its people.

TRAIN FOR LITTLESTOWN.

A special train will be run from this place to the Littlestown Democratic Mass Meeting, TO-MORROW EVENING, starting at 6 o'clock. The meeting promises to be a rouser. Arrangements are being made for a grand torch-light procession. The Democrats of Gettysburg and *vicinity*, as well as along the line of the railroad, are invited and expected to turn out in large numbers.

VOTE for Col. JOSEPH J. KUHN. A better Associate Judge could not be found in the county. Besides, he is fresh from the ranks of the people, whilst his opponent has held office (from the Democrats, Whigs, Know Nothings and Republicans) nearly all his life.

WHEN the army of General Rosecranz was afflicted with scurvy an appeal was made to the *loyal Governors* for vegetables. Every one of them, Gov. Curtin included, responded to the appeal of Gen. Rosecranz by referring him to the Sanitary Commissions! But Gov. Seymour promptly sent one hundred and fifty barrels of potatoes, and fifty barrels of onions, raised on his own farm. They were the only vegetables received by the army of Gen. Rosecranz before it was put on the march. Here was displayed real friendship for the soldier.

VOTE for JACOB MELHORN, for Prothonotary. A sterling old Democrat, and in every way qualified, he is eminently deserving of the office. His opponent has already had a three years' term, and ought to be satisfied.

THADDEUS STEVENS described Geary as the "*unhappy failure.*" Stevens had a keen insight into men and things. Who will say that his estimate of Geary was not correct?

BORDER SUFFERERS, you need the services of Calvin M. Duncan and Dr. Dill in the Legislature. Both men of standing, earnest and able, they will enforce your just claims with vigor and effect.

VOTE for BENJAMIN DEARDORFF, for Director of the Poor. Who will dare say that he will not fill the position in the most acceptable manner?

THE CAMPAIGN IN PENNSYLVANIA.

The campaign in Pennsylvania is being gloriously prosecuted by the jubilant Democracy. Complete and thorough organization is marking every locality, and the right kind of work is brought to bear upon the canvass. Among the many able speakers who are now effectively addressing the people, says the *Age*, are Hon. William Bigler, Hon. R. M. Boyer, Hon. Richard Vaux, Hon. Peter Sharp Call, Hon. William P. Jenks, Hon. Magnus Gross, Hon. Charles Ingersoll, Dr. Julius Korn, E. K. Apgar, Esq., Charles H. Shreiner, Esq., General William McCandless, General Wellington H. Ent, Hon. Charles E. Boyle, John O'Bryne, Esq., R. S. Morrison, Esq., George Northrop, Esq., Charles W. Brooke, Esq., Colonel J. K. Kerr, General W. W. H. Davis, J. R. Fellows, Esq., Hon. Hiester Clymer, Hon. George H. Pendleton, Hon. Henry D. Foster, ex-Governor Johnson, Hon. Edgar Cowan, E. O. Perrin, Esq., Stephen J. Meany, Esq., Hon. D. A. Ogden, of New York, General Green Clay Smith, Hon. C. A. Eldridge, Hon. E. F. Pillsbury, Hon. G. O. Deise, Captain C. B. Brockaway, and a host of others. Besides the gentlemen we have named, there are hundreds who are raising their eloquent voices in defense of "the right." Our meetings are everywhere attended with large and enthusiastic crowds of freemen, and never before were the people of Pennsylvania so solemnly in earnest in a political canvass. Democrats! the victory is now within your grasp! You have only to stretch out your arms to secure it. The Radicals are everywhere disheartened and dismayed. Some of their best calculators have, within the past few days, acknowledged their inability to carry Pennsylvania. Their only hope now is in the perpetration of stupendous frauds, and they will stop at nothing, no matter how base and criminal it may be, to cheat the people at the polls. Every Democrat in the State should bear this in mind, and go instantly to work to circumvent the desperate enemy. Work from this hour, until the sun goes down on the second Tuesday of October. Work in your counties—in your townships—in your cities—in your towns—in your hills and valleys—in your workshops—in every election precinct! Work—work—work! See that every Democratic and Conservative vote is polled. Don't, by any accident, be absent from your homes on election day. Have vehicles ready to haul the sick and infirm to the ballot-box. If you find a Republican neighbor wavering, and you will find many, plead with him for the sake of his country to "come out from among the foul party" and stand up boldly on the side of the Union and the Constitution. Cheer the desponding—speed on the enthusiastic in their triumphant march—animate and encourage by your zeal and energy the whole Democratic column—work—work—work—as you should do, and, as in days of yore, YOU WILL BE INVINCIBLE!

A SOLDIER SPEAKS!

TYRONE, Adams Co., Sept. 28, 1868.

This certainly is a time that men should stop and think calmly before they take another step in the direction of their partisan leaders. Great consequences are resting on the decision of this campaign. Every man must be floating in one of two channels. The one flows towards peace, prosperity and happiness, while the other leads to despotism, war and anarchy in the end. And we are now called upon to uphold and support one of these great parties. It matters not to us *what* have been the issues of years gone by, but it is *our duty* to take care of the present, and to inquire what are the great differences of to-day.

It is evident that the leaders upon the one hand are the men who have ever held up before the people the Constitution of the United States as the supreme law of the land, and as such should be regarded by all classes and conditions of men, in every section of the country; while the Radical party are led by men who are wild with fanaticism and godlessness, rushing on from one rash act to another, as if their insatiate desire for power would never cease.

They have subverted our form of government. They have given us, instead of a republican, a centralized government, giving all power to their Rump Congress. Yes, they have done more. They have established in ten States of this Union a military despotism. This Union, that you and I, my soldier friend, fought for four long and bloody years to save, is now to be torn asunder—distracted and disgraced—by these Vandals at Washington. Thus these false patriots and carpet baggers have accomplished in three years of peace what the rebel hordes failed to accomplish in four years of war—severed the ties of affection which bound this Union together.

Soldiers, this, according to Radical theory, is the prize for which we endured the hardships of the march and the dangers of battle. Are you willing to bow tamely down and say to these rogues, "Here, make us your slaves, if you wish; we are not worthy of the name of American citizens." Or will you make an honorable resistance this fall at the ballot box, and hurl from power these usurpers, and place in their stead men who dare, and who will, uphold and sustain the supremacy of the Constitution!

If we admit these renegades to power four years longer, they will have fastened upon us forever the damnable and withering curse of despotic rule. Let us then save ourselves by electing to office men who do not have constantly before their eyes a carpet-bag filled with nigger wool, silver spoons, and wooden nutmegs, but men who are truly of the white stamp, and dare to come before the people with a policy.

A MEMBER OF THE 90TH PA. V. INF.

GOVERNOR PILLSBURY, of Maine, Hon. Eli P. Norton, of New York, Hon. Samuel H. Reynolds, of Lancaster, and Hon. Geo. W. Brewer, of Chambersburg, all powerful advocates of the good cause, will address the Democratic Mass Meeting in Gettysburg, October 10th. They are worth coming a hundred miles to hear.

VOTE for MOSES HARTMAN. The office of County Commissioner cannot be filled by one more upright or worthy.

BRING your teams to the Mass Meeting in Gettysburg, on Saturday, Oct. 10th!

VOTE for WM. A. DUNCAN, for District Attorney. In no other hands could the responsible duties of the office be more safely placed.

Another Pole Raising at Littlestown!

LARGE GATHERING AND GREAT ENTHUSIASM!

MR. EDITOR:—The pole raising and mass meeting which was announced to come off at the hotel of John Green, Esq., in Littlestown, on Saturday last, took place, and took everybody by surprise, so large was it. It was beyond dispute one of the largest meetings held this campaign. The sterling old Democracy of the lower end were out in force—the old, the *young*—the *farmer*, the *mechanic*.

The pole measured 137 feet after being spliced, which we commenced to raise about 4 o'clock, under the supervision of Capt. Isaac Lightner, who knows no such word as fail. After being started, it went up with a rush—which was responded to by the crowd present giving three rousing cheers for the ticket. The Band then discoursed some of their choice selections.

At early candle-light the meeting was organized by Jacob Klunk, Esq., who made a few very appropriate remarks, when the following gentlemen were selected as officers:

President, Daniel Geiselman, Esq.

Vice Presidents, James Spalding, Pius P. Fink, Philip Hemler, William Staub, Levi Golden, Francis M. Buddy, Sylvester Harner, Andrew Kuhn, John Bolden, Joseph Arentz, Sr., Lewis P. Weaver, John G. Byers, James C. Duttera, Martin Steffy, George Hesson, Edward Shorb, S. S. Bishop, Edward Collins, Barney Aumen.

Secretaries, Dr. E. F. Shorb, Dr. W. E. Naylor, Dr. J. P. Gettier, G. B. Yantis, Jerome Golden, David Weikert.

The meeting then was addressed by Wm. McClean, Wm. A. Duncan, Wm. F. Dean, J. D. Newman and Geo. B. Yantis, Esqs. Upon the conclusion of the speaking, three rousing cheers were given for the whole ticket.

Last though not least, I wish to make special mention of our townsman and prince of landlords, John Green, who had everything admirably arranged for raising the monster pole, besides having everything that was needed to satisfy the inner man.

Mr. Editor, last Saturday will long be remembered as a gala day in Littlestown. The lower end is stirred up to the *fullest extent*, and, you may rest assured, we'll give the Rads thunder down here in October, with a double dose in November.

TRUTH.

The People Aroused!

LARGE DEMOCRATIC MEETINGS!

Enthusiasm and Earnestness!

That the people are alive to the importance of the questions before them, is proven by the large attendance at all Democratic meetings.

The meeting in the Court-house last night week was gratifying in every respect—in numbers, in attention paid to the speakers, and in enthusiasm. The officers were:

President, Hon. David Ziegler.

Vice Presidents, Daniel Geiselman, Isaac Lightner, George Lady, Samuel Hilt, Zachariah Myers, Adam Rebert, Henry J. Kuhn, Abraham Fisher, Henry A. Picking, Henry Bucher, Dr. E. F. Shorb, G. B. Calvin M. Duncan, Esq., the Democratic candidate for the State Senate, was then introduced. He spoke about an hour ably and forcibly, winning frequent applause. Judge Kimmell, the Democratic candidate for Congress, followed with arguments of extraordinary power on reconstruction, debt, taxes, &c., and closed amid loud cheers.

MEETING AT NEW OXFORD.

This was a glorious rally, Oxford, Mountpleasant, Reading, Hamilton, Strabau, the two Berwicks, &c., being well represented. The Gettysburg train contributed two car loads. A procession with banners and music, under the marshalship of Adam Rebert, Esq., assisted by J. W. Lott and A. J. Bowers, marched from the railroad to the meeting, at Wiest's Hotel. After music by the New Oxford Brass Band, Dr. J. W. McClure called the crowd to order, and proposed the following list of officers, which was unanimously adopted:

Wm. S. Stenger, Esq., of Chambersburg, was introduced and welcomed with many cheers. For an hour and a half he held his vast audience spellbound, so powerful was his array of facts and so eloquently and convincingly were they put forth.

Mr. Edward Reily followed with a telling speech, and H. J. Stahle concluded. The meeting adjourned with cheers and in high spirits.

MEETING AT ARENDTSVILLE.

This was also a good meeting, embracing a general attendance of the neighborhood, with delegations from Mummasburg, New Salem, Cashtown, &c. The organization consisted of:

Vice Presidents, Lewis Will, John Sheeringer, Joseph Lilly, Daniel Geiselman, Francis Pohlman, John Reed, E. Smith, Jacob Lawrence, Abraham Bixler, J. W. Bachman, Noah Brevogur, Barney Noel, Conrad Bender, John L. Jenkins, Adam Noel, Anthony Little, M. H. Timmins.

Secretaries, James W. Gitbernator, Wm. Butters, of L., Dr. T. O. Kinzer, Frank Sheeringer, Templeton Noel, Peter Ginter, Samuel Jenkins.

Judge Kimmell, C. M. Duncan and Edward Reily made capital speeches, and were listened to until a late hour with the closest attention. Adjourned with three rousing cheers for the cause and candidates.

MEETING AT FAIRFIELD.

This was a capital turn out—much larger than the Radical meeting at the same place a few evenings previous. The officers were:

President, Zachariah Myers, Esq.

Vice Presidents, Peter Stoner, Edward Rusk, Aaron Woodring, William Shingledecker, John Kint, Charles Strausbaugh, John Watson, Jesse P. Topper, Henry Peters, William Rensel, Robert Watson, Isaac Harner.

Secretaries, George Sanders, Henry Herring, Daniel Woodring, John Ogden, Joseph Kint, James H. Marshall.

Telling speeches were made by W. A. Duncan, Esq., Judge Kimmell and Dr. Dill, when the meeting adjourned, with cheers and in excellent spirits.

AMPLE Railroad arrangements will be made for the Democratic Mass Meeting in Gettysburg, on Saturday, Oct. 10th.

VOTE for Capt. ELI G. HEAGY, for Auditor. He is honest and competent. What more could anybody ask in a candidate?

THE GEORGIA RIOT.

The bloody riot at Camilla, county sent of Mitchell county, Georgia, on Saturday week, is another proof of the bad consequences to be expected from the wicked, unconstitutional policy of Congress, towards the Southern States. In this affray, it is reported by telegraph that the killed and wounded number one hundred. The free use of fire-arms by the negroes shows they were all armed, and that to place deadly weapons in their hands is both criminal and dangerous. Nor is there any hope of peace in the South, until arms are taken from the hands of the blacks, and the people are permitted to organize governments under the Constitution of the United States.—Quiet submission to black bondage cannot be expected from American citizens; and where negroes are armed, rascals and demagogues will be ever ready to use them for the worst purposes.

In this Georgia case, it appears that one Price, the Radical nominee for Congress, and Murphy, an ex-bureau agent, collected about three hundred negroes, armed and equipped, and started for Camilla, which was about twenty-five miles distant, on Friday, with three weeks' provisions, and boxes of new arms and accoutrements. The account proceeds:

Before starting, some friendly negroes exposed the plan, and a negro courier was dispatched to Camilla to inform the citizens what was going on. A deputation of three prominent citizens met the mob at a church five miles from town. The Governor's proclamation forbidding armed organizations was read, but the mob paid no attention to it, and determined to march on. Again the deputation remonstrated, entreating the negroes to come in without arms, and they should not be molested. Their efforts were fruitless to dissuade the negroes, and the mob marched into the town with banners flying and drums beating.

They now numbered 450, many having joined them on the route. The mob halted and clamored for a man named Johns. Johns, in company with Dr. Twenty, presented himself, when a hundred guns were leveled at him. The former being intoxicated, fired, and the riot commenced, the mob firing at every one they could see.

The citizens, white and colored, rallied, gathering about fifty stand of arms. The mob was vigorously attacked and driven back, and, panic-stricken, took to flight. The negroes were pursued five miles, losing thirty-five killed and many wounded. Their total loss, so far as ascertained, will be from seventy-five to one hundred in killed and wounded. Owing to the panic among the mob, only five whites were severely wounded.

The latest news announces that it is known the negroes are armed throughout the State, but that the white people have no very serious fears of disturbance if the negroes are not precipitated into riots through pernicious counsels or violent appeals to their passions. Thus, in the bosom of society, throughout the South, Congress has placed deadly instruments of destruction, prowling about in every direction, always ready to be used by vile incendiaries and unscrupulous demagogues. Is this giving the States of the South a republican form of government, as guaranteed by the Constitution?

Highly Important Report of an Investigating Committee.

ATLANTA, Ga., September 22.—The following report is from Judge Vason and Mr. Johnson, who were requested by Lieutenant Howard, of the Freedmen's Bureau, *to investigate matters: To the Committee of the Senate and House of Representatives of the State of Georgia:*

We left Camilla this day at noon. All was quiet there. No apprehension was felt for further trouble. The citizens acted under the orders of the sheriff. They acted as his police in the whole affair. The negroes of the county are all quiet. No bad feeling exists between them and the whites growing out of the affair. But few negroes were present during the figit, except those in the procession. There is no necessity for any additional force to protect the whites or blacks. The wounded negroes are well cared for, and have the sympathy of the whites. *The whole difficulty originated in the right claimed by Murphy, Pierce and others to carry negroes into a political meeting with arms.* The sheriff disputed these rights and insisted that under the proclamation of the Governor and the law it was his duty as a civil officer to prevent such a proceeding.

(Signed) D. A. VASON,
B. JOHNSON.

VOTE for JESSE D. KELLER—the very man for County Surveyor.

JOHN A. DIX, always envious of Seymour's popularity, has written a letter spitefully abusing the latter. His support of Grant is, however, no gain for the Republicans. He has been acting with them for the last seven or eight years.

DEMOCRATIC Mass Meeting in Gettysburg on Saturday, October 10th. Bear it in mind.

SATURDAY, October 10th! Seymour and Blair Mass meeting in Gettysburg! Come with a rush!

ANOTHER VICTORY!

The Democrats have carried Idaho, electing Shafer delegate to Congress by an increased majority. The good work prospers! Hip! hip! hurrah!

PHILADELPHIA TAX-OFFICE SCENE.

Tax-Collector—Now, Mr. Jay Cooke, we are ready for you, sir. Your "moneys and credits" show $120,000; your household furniture, office fixtures, horse and buggy, and some more little things foot up $4,575 more. Total, 124,575. Deduct $120,000 held in 5-20 Government bonds, which are not taxable, and the balance is $4,575. Your State and county tax on this last amount is $71 50.

Now, Mr. Bellows, I have your receipt ready. Your "moneys and credits" show $850; shop fixtures and tools, $1,875; household furniture, $850; horse and wagon, $275. Total taxation for State and county purposes, $4,950. Tax $79.

Bellows—How is this? Jay Cooke's personal property amounts to $124,575, and he pays only $71 50 State and county tax, while I, with less than $5,000, all told, am asked to pay $8 50 more than he.

Jay Cooke—Ah, my good friend, you see my $120,000 in bonds are not taxable. In the country's extremity, with other truly loyal men, I came to the rescue with my greenbacks. I loaned my bleeding country, threatened with destruction by Rebels and Copperheads, my money, and with that gratitude which becomes a grateful people engaged in the interests of God and humanity," I am exempt. Thus it should be with a magnanimous Christian people.

Bellows—And I, in my country's real extremity, had no greenbacks to loan, but I shouldered a musket, and gave my body to the cause, a leg of which I left on the field of Shiloh, as you see, but a "grateful people, engaged in the interests of God and humanity," have had no tax-exemption for me. This may be all right, but I don't see it.

Jay Cooke—But you see, Mr. Bellows, mine was a voluntary act. I could not have been compelled to furnish the money. You volunteered, it is true, but you could have been compelled to go.

Bellows—Yes, sir, I did volunteer when my services were needed, but your voluntary act was after the act was done—when you felt sure your investment was safe. The policy that exempts your hundreds of thousands from taxation, and taxes my few hundred, is founded in injustice, sir. You loaned your greenbacks, worth less than sixty cents on the dollar, and are now claiming dollar for dollar in gold in payment. I risked my life and gave a limb to the cause, and when I come home to my family, and to work for their support, I am made to pay full national, State, and county taxes on my little possessions, while your bonds, purchased with depreciated greenbacks, are exempt.

This nice little game of "God and humanity," superfine loyalty, and patriotic disinterestedness is downright unfairness, sir; and with our ballots, next November, we will sink any man or set of men, who stand up for it, so deep that the sound of Gabriel's trump will never reach them. Do you mind that, Mr. Cooke? Exit disputants.

Tax Collector, *solus*—It strikes this individual very forcibly that it ain't all wind that blows out of that Bellows.—*Philadelphia Herald.*

SATURDAY, Oct. 10th, promises to be a great day in Gettysburg. Let all the people come!

DESPERATION.—John Cessna, seeing the desperate status of affairs in Somerset county, as they relate to and affect himself personally and candidatorily, being there and there present in the county of Somerset aforesaid, proclaims that he will beat Judge Kimmell three hundred *in Franklin county!* Ha, ha, ha! Six hundred away from the truth, on one county and at one lick, isn't so bad!—*Fulton Democrat.*

When here, Cessna acknowledged that he would be beaten in this county, but claimed great things in Somerset. His game of brag is very weak—can be seen through by a school-boy.

The people want no more demagogues in Congress.

THE Radicals are trying to buy votes in this county. We hear of offers of bushels of corn, pairs of boots, &c., to Democrats if they will vote the whole or part of the Radical ticket. Democrats, watch this game, and spoil it!

THE New York *Tribune*, of the 24th, asserted that "the Hon. Fred. Lauer, of Reading, Pa., and one hundred and twenty-four of his friends and employees, all stout Democrats, have come out for Grant and Colfax." This is a lie, as will be seen by the following telegram from Mr. Lauer:

EDITORS OF THE AGE: Brand the article in the New York *Tribune* of the 24th, an infamous falsehood. I am, as ever, a defender of the Constitution and a strong supporter of Seymour and Blair.

FRED LAUER.

The reports as to Mr. Lauer's friends and employees is equally destitute of truth. This action shows the manner in which the Radicals are endeavoring to prop the falling fortunes of Grant and Colfax.—*Phila. Age.*

EVERY Democrat should remember that by cutting a single name upon his ticket he will be playing into the hands of negro-loving and debt-increasing Radicalism.

SEE our first page for a picture of negro Radicalism in the South. How can any white man support a party the leadings of which lead to such inhumin and revolting atrocities?

GRANT wants peace, he says. But his peace means standing armies in the South and ballots in the hands of negroes to elect himself. He needn't be uneasy. Seymour and Blair will preserve the peace.

HON. JOHN MORRISSEY, of New York, has published a card branding as false the statement put forth by Radical papers, that he had made bets in favor of Grant's election. He says he has no such bets standing; but, on the other hand, supports Seymour and Blair with all his might.

CARL SCHURZ, one of the Radical stumpers of this State, was arrested at Allentown for an old debt of $34.10; but he wasn't honest enough to pay, and the $300 law saved him from going to jail. Nice party leader!

DEMOCRATS of Adams, a full turn out and clean tickets will secure us a glorious victory!

THE ticket this year will be voted in three parts—"Judiciary," "State" and "County."

Local Department.

TOWN, COUNTY AND SURROUNDING COUNTIES.

Half a Century.—The COMPILER has entered upon its fifty-first year, having been established in the latter part of September, 1818. Half a century ago Jacob Lefever issued the *initial number*—"eight by ten" in size, but firm in the Democratic faith. That faith it has ever since adhered to and upheld, and its past may be taken as an index of its future. Its dimensions have from time to time increased, until now it ranks among the largest papers published in this or any other State. For the many evidences of *good will* it has *enjoyed*, the publisher is profoundly grateful. He will continue his efforts to please his many readers, and keep the COMPILER office up to the highest standard.

Preaching.—There will be preaching, by Rev. Mr. Vancleve, in the Hunterstown Presbyterian Church, on Sunday, the 11th of October, at 9 o'clock, A. M., and in the Marsh Creek Church the same day at 3 o'clock, P. M.

Call.—Rev. Walter E. Krebs, late Pastor of the Reformed Church of Waynesboro', having received a call to "Alt Soule's" Reformed Church of Allegheny City, Pa., has declined the position in Mercersburg College to which he was recently elected, with the view of accepting the former call. He commenced his labors in Allegheny on the first of this month.

Forge Destroyed by Fire.—At 5 o'clock on Tuesday morning, the Forge in this place, owned by Mr. Jacob Reiley, was found to be on fire. The alarm was promptly given, but the progress the flames had already made rendered all efforts to save the building unavailing. It contained, besides the machinery, considerable quantities of forged and scrap iron. The building and contents were insured to the extent of $5,000—$2,500 in the York Mutual and $2,500 in the Columbia Company. Still we suppose Mr. Reiley's loss to be over a thousand dollars. It was no doubt the act of an incendiary, as no work had been done in the Forge for a week. Its destruction is greatly deplored.

Property Sold.—The John Brown property, on Baltimore street, was sold at public sale, on Tuesday, to James Bigham, at $1,855.

Christian Rindlaub has sold his farm, in Straban township, 55 acres with improvements, to Jacob Bucher, sen., for $4,737.

The Executors of Isaac Monfort have sold the farm of said deceased, in Straban township, 180 acres with improvements, to Jacob Hulick, for $49.00 *per acre.*

Won the Trot.—The grey horse of Martin Quinn, of York, won the $100 trot on the Fair track, on Friday last. It was an exciting trial of speed. McFadden's bay, of Harrisburg, and Myers's grey, of Baltimore, each winning a heat. But Quinn's horse having taken two heats, became the winner. The time was about 2.50, and the track heavy, from previous rains.

New Chester Club.—A Seymour and Blair Club has been organized at New Chester, with the following officers:

President, Philip Donohue
Vice President, John Lynch.
Secretaries, Theodore Taughinbaugh, Joseph Holtz.
Treasurer, Benj. Livelsberger.

The Club will meet next Monday evening, at New Chester, and invites the Democrats of Straban and surrounding townships to attend. Several speeches may be expected.

Franklin Club.—The Democrats of Franklin township met at Mummasburg on Tuesday evening, and organized a Seymour and Blair Club, with the following officers:

President, E. W. Stahle.
Vice Presidents, Capt. J. H. Plank, Joseph Rebert.
Secretaries, Robert McCleaf, William Russell.
Treasurer, Abraham Hart.

The Club will meet again in the same place on Monday evening next.

Off the Track.—As the passenger train was entering town on Tuesday, at noon, the engine ran off the track, and striking a freight car at the Freight Depot, badly broke the house over the engineer, and injured the engineer himself—Mr. Carl Miller. Notwithstanding the danger of his position, he manfully stood by it, and thus saved the train. Dr. O'Neal dressed Mr. Miller's wounds, and he is doing well.

An Accident.—On Saturday last, Mr. Samuel Secrist, Proprietor of Greffenberg Springs, while engaged in making cider, had his right hand caught in the press and injured very severely. He will be deprived of the use of his right arm for some time to come.—*Valley Spirit.*

Curiosity.—Our young friend, Morris Bushman, of this place, presented us, some days ago, with a curiosity in the fruit line, consisting of six large peaches grown upon a small limb less than a foot long. The cluster looked really tempting, and proved as good as it looked. Morris has our thanks for his consideration.

"Surprise" Oats.—A specimen of C. W. Grieat's "Surprise" oats, a new variety, for which he received a special premium at the recent County Fair, has been left at our office. It is very long in the straw, with a well-filled head, insuring a large yield and extraordinary weight.

Passenger Railway.—We hear it said that a Horse Railway is to be built immediately between this place and the Katalysine Spring.

Professor.—Rev. C. Stork, of Baltimore, has been elected Professor in the Seminary, in place of Dr. Valentine, now President of the College.

Lost.—An Oval Gold Breastpin was lost in this place last Friday evening. The finder will be properly rewarded by leaving it at the COMPILER office.

Fire in Hanover.—The stables of Samuel Shirk, Daniel Barnitz, Henry Wirt and David Stagle, in Hanover, were destroyed by fire on Friday night week. Incendiarism.

Large Squirrel.—A son of Mr. Michael Harnish, of New Salem, recently shot a fox-squirrel which weighed two pounds and a half.

GEN. SIGEL is a warm supporter of Seymour and Blair—*Ex.*

And we know lots of his old friends and fellow soldiers who swear that during this campaign they are "going to fight mit Sigel."

A VOTE for Cessna is a vote for a continuance of the rule of thieves and negroes.

The Mass Meeting.—The following appointments have been made for the Democratic County Mass Meeting, to be held in this place, to morrow week—Saturday, October 10th:

Chief Marshal, Capt. Robert McCurdy.

Aids—J. C. Neely, Esq., Capt. W. J. Martin.

Assistant Marshals—Adam Hebert, G. B. Yantis, Wm. Butters, Dr. Wm. J. McClure, Francis J. Wilson, A. W. Storm, Thomas G. Neely, Conrad E. Myers, Robert M. Dicks, Jacob C. Pittenturf, J. P. McDaid, Daniel Geiselman, J. K. Smith, Col. R. C. Swope, Capt. Jacob Plank, George A. Corwell, Enoch Routzahn, Isaac Herter, J. W. Lott, Samuel Schwartz, Isaac Lightner, Philip Donohue, Martin Thomas, A. F. White.

TWENTY-FIVE CENTS!

The COMPILER will be issued from this time until after the Presidential election at *Twenty-five Cents!*

Attention, Citizens!

Continued profligacy will bankrupt any individual, and the same vice will as surely ruin a nation. These are stubborn truths; they cannot be gainsayed, and neither can they be obliterated by the dust of dead issues, or driven out of mind by partisan invective.

Search the annals of other nations, ransack the records of the most corrupt governments that ever existed on the face of the earth, and as regards the reckless squandering of public money, they will exhibit favorably when compared with the Radical Congressional history of this country for the past three or four years.

We quote official figures.

They are startling.

They should open and arouse the people, the rich and the poor, the bond holder as well as the taxpayer.

From the first day of January, 1867, to the thirty first day of March, 1868, a period of fifteen months, the payments on account of the War Department were nearly $161,000,000—one hundred and sixty-one millions of dollars, or nearly eleven million dollars per month.

Citizens, bear in mind that those fifteen months were a time of profound peace, that no hostile arm was raised against the Constitution and Union, and not a foe waged battle except a few miserable Indians upon the plains.

It is astounding.

Who pocketed the funds?

That is the question! Citizens!

England, with her gigantic line of military posts encircling the globe, with her vast East Indian dominions, and a large standing army at home and abroad, spends for military affairs, including pensions, only six million dollars a month.

We spend eleven millions without pensions.

France, martial France, with her mighty battalions ever ready for war, spends therefor about seven million dollars a month.

We spend eleven millions.

Think of it! Citizens!

Prussia, a military upheld monarchy, with dimensions recently extended by war, and to be preserved by the bayonet, spends on her armed forces only two and a half millions per month.

We spend *Eleven Millions!*

Think of it! Citizens!

$161,000,000!

War expenditures during fifteen months of peace.

That explains why the national debt increases.

That shows, citizens of the United States! It is time for you to ponder and to act.

Radical profligacy must be stopped or Republican liberty will be lost.

"He that would be free, himself must strike the blow."

AYER'S HAIR VIGOR,

For the Renovation of the Hair.

THE GREAT DESIDERATUM OF THE AGE.

A Dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color and the glow and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only be safe but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

GEO. ARNOLD.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by every body as a cathartic, nor was ever any before so universally adopted into use by physicians, in all civilized countries, until this but efficient purgative PILL. This obivous reason is, that it is a more reliable and far more agreeable remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of volunteer certificates of its remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing in it neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and in short, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion**, **Listlessness**, **Lassitude**, and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache**, **Sick Headache**, **Jaundice** or **Green Sickness**, **Bilious Colic** and **Bilious Fever**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism**, **Gout**, **Gravel**, **Palpitation of the Heart**, **Pain in the Side**, **Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

NO RUM CANDIDATE!

☞IT IS NOT a mere party triumph we seek.—We are trying to save our country from the dangers which overhang it. We wish to lift off the oppressive and the shackles which, in the shape of bad laws and of crushing taxation, now paralyze the business and labor of our land. We hope, so, that we can give order, prosperity and happiness to those sections of our country which suffer so deeply to-day in their homes, and in all their industry from the unhappy events of the last eight years.—HORATIO SEYMOUR.

"WHEN we give value to our bonds by using the money drawn by taxation to the payment of our debt, and not to the military and negro ring, we shall relieve the tax-payer, the bond-holder, and give strength and virtue to the claims of the public creditor."—HORATIO SEYMOUR.

"THE next election will turn upon this question: Can the Congressional party succeed in their efforts to excite and array the industrial and money interests against each other, or will these unite and turn out the authors of the mischief under which they are all suffering."—HORATIO SEYMOUR.

"IN order to curse the South with military despotism, negro rule, and disorganized labor and industry, they (Congress) turned the farmers of the North with taxation, the mechanics with more hours of toil, the laborers and pensioners with debased paper, the merchant with a shifting standard, and the public creditor with a dishonored and tainted national faith.—HORATIO SEYMOUR.

THEN AND NOW.—On the 31st of March, 1865—so says Edward McPherson's History of the Rebellion, p. 301—the total debt bearing interest was $1,851,416,890.

On the 1st of August, 1868, the total debt bearing interest was $2,623,588,456 The increase is $772,000,000!!

On the 31st of March, 1865, the annual interest was $102,836,531. In 1868, it was $120,223,268—an increase of $23,000,000!

In 1865, the coin interest was $64,000,000; it is now $123,600,000—an increase of $59,000,000.

If, as is said, $1,200,000,000 of debt is held abroad, then are we tributary to Europe $72,000,000.

And for this commerce is strangled and the people are taxed.

The poor man's tea, which in 1860 cost 75 cents, now costs $1.75.

His coffee, then 18 cents, now 40.

His sugar, then 8 cents, now 16.

His rice, 6 cents, now 15!—*Age.*

POLITICS AND FINANCE.—The New York Journal of Commerce, in reply to an inquiring bondholder, thus defines its position as between the Democratic and Republican parties: "As a mere financial question, we think the chances of the bondholder quite as favorable with a new administration under Democratic rule as with the present. It could not well treat the public creditor worse, and there are reasonable grounds to hope that a fulfilment of its promises in other directions would lead to a restoration of national prosperity, without leaving further excuse for the plea that justice to the capitalist is intolerable oppression to the laborer." The Journal of Commerce is an authority than which there is none more shrewd, far-seeing and reliable in financial matters.

CARL SCHURZ, who said that "God was only an imaginary being, the Bible fit only to amuse children, and the Christian Sabbath a relic of barbarism," is still employed by the Radicals to defend their shattered cause.

LET ALL THE PEOPLE COME!

COE'S DYSPEPSIA CURE.

This world renowned remedy for the unfailing cure of

DYSPEPSIA.

Indigestion, Sick Headache, Sourness or Acidity of the Stomach, Rising of Food, Flatulency, Lassitude, Weariness, Biliousness, Liver Complaint, finally terminating in Death,

all caused upon the attention and trial of sufferers from this most horrible of all diseases. Dyspepsia shows its ravages in a thousand different forms, in fact, all disorders of the Stomach and Bowels, with all their complaints, such as Sick Headache, Heartburn, Depression, general sense of uneasiness and feeling that you are not well. Food distresses you, rises and sours on your stomach; breath is bad; skin at times flushed and hot; don't feel as if you could move or stir about, and worst of all, Indigestion or Constipation, are nothing more or less than Dyspepsia. Thousands upon thousands suffer and die this way and neither themselves or physicians know what ails them except that they are surely dying.

Reader, we repeat it, this is all Dyspepsia. If you would have proof of our statement, if you would save yourselves and children from an early grave, if you would have health and energy and strength, again we beg you try one bottle of

COE'S DYSPEPSIA CURE.

You will see how soon it will dispel your bad feelings and gloomy forebodings. How soon it will chase away any species of Dyspepsia. How soon it will give you new life and vigor, and how soon it will make a well man or woman of you. For your own sake, for the sake of everybody suffering, we beg, we entreat you to try it.

For Liver Complaint & Bilious Derangements

It is a Sovereign Remedy, while for Fever and Ague, and all those diseases which are generated in a miasmatic climate, it is a certain preventive and cure.

That its wonderful medicinal virtues may not standalone on our statement, we append a few unsolicited testimonials from those whose position in society and reputation as citizens will place their evidence beyond all question, and carry with them strength and conviction to the most incredulous.

Mr. Lester Sexton, a wholesale merchant of 10 years, in Milwaukee, one of the most reliable and careful men in the State, says, under date

MILWAUKEE, Wis., Jan. 24, 1868.

MESSRS. C. G. CLARK & Co., New Haven, Conn.

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved PERFECTLY satisfactory as a remedy. I have NO hesitation in saying that we have received GREAT BENEFIT from its use.

Very respectfully,

Signed) LESTER SEXTON.

(From Rev. R. F. Ward, Avon, Lorain co., O.)

MESSRS. STRONG & ARMSTRONG,—

Gentlemen—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been for a number of years greatly troubled with Dyspepsia, accompanied with violent paroxysms of constipation which so prostrated her that she was all the while, for months, unable to do anything. She took, at your instance, Coe's Dyspepsia Cure, and has derived GREAT BENEFIT FROM IT, and is now comparatively well. She regards this medicine as a great blessing. Truly yours,

L. F. WARD.

Jan. 13th, 1868.

(From Rev. Isaac Aiken, Alleghany, Pa.)

JOSEPH FLEMING, Druggist,
No. 84 Market Street, Pittsburg.

SIR:—I take great pleasure in stating that, after having suffered from dyspepsia for about fifteen years, at some periods much more than others, I have been entirely cured by the use of Coe's Dyspepsia Cure. My friends know that of late years my case has been an extreme one. I had great suffering from eating any kind of food, and on an average would vomit about one-third of my meals, in a sour indigestible mass. When the severe attacks would come, I would lose all strength and be utterly helpless. Some of the attacks would be so severe that for days together I would not retain anything on my stomach, save a little dry bread and tea. For years I felt sure that it was to pass five consecutive hours without intense pain. From the time I took the first dose of this medicine I recall vomiting, strength and soreness passed away, and flesh and strength returned, and ever since I have been able to eat any kind of food set upon the table. Six months have now passed without any symptoms of the return of the disease. My case was considered by all, even physicians, as marvelous, that for a time it was believed it might be fictitious; but I am now so well convinced, that I have been not merely relieved, but permanently cured, that I can conscientiously recommend Coe's Dyspepsia Cure to all victims of dyspepsia.

ISAAC AIKEN,
Late Pastor of the Beaver St., M. E. Church, Alleghany.

CONCLUSIVE EVIDENCE.

NEW HAVEN, CT., June 2, 1867.

MESSRS. C. G. CLARK & Co.

GENTS:—Being anxious, from the great benefit derived, to assist in spreading the fame of Coe's Dyspepsia Cure, I would state my case. Something over a year ago, I had a violent attack of Diarrhœa, which lasted eight weeks, during which time I employed three physicians, but without relief, until I tried Coe's Dyspepsia Cure. The first dose helped me: I took it three times a day for a week and was entirely cured; and I believe to-day that it saved my life. Being attacked in a similar way this season, I took one dose, which put me all right. I would advise every family to keep it on hand ready for immediate use, in case of Summer or Bowel Complaints.

C. DUNN.

The above Mr. Dunn is in our employ, and we can vouch for the above statement being true.

E. ARNOLD & CO.

Coe's Dyspepsia Cure

will also be found invaluable in all cases of Diarrhœa, Dysentery, Colic, Summer Complaints, Griping and in fact every disordered condition of the stomach.
